

## Fill in the gaps

While I'm away	And a wicked, (10) eye
You can let the mask go down on you	Over yellow jealousy
Let the mask do what I do	I (11) no control, no control
If I was there	I never get your (12) out of my head now,
You'd (1) explain	baby
(2) I have a (3) in my narrow	I (13) get your (14) out of my
bones	mind
I have a vindictive eye	I (15) get (16) bullet out of my head
Over jealousy, I have no control	now, baby
I never get (4) (5) out of my	I (17) get (18) bullet out of my mind
(6) now, baby	I get out of my head
I never get your bullet out of my mind	I get out of my head now
I never get your (7) out of my head now,	I get out of my head
baby	I get out of my head now
I never get your (8) out of my mind	I get out of my head
How can I get your bullet out of my head now?	I get out of my head now
I (9) no control, but I try, yeah, I try	I get out of my mind
I better explain that I have	
A red vendetta in my narrow bones
