Rise, taste the air, lock and load, pull the trigger,	And this is all I need to feel alive, (oh yeah)
Climb, to new heights, and (1) me, tell me what	(Hey Jonny!)
you hear	This is all I need to (6) alive
A whisper from the wind, and I can't help but listen,	Way to save the world!
It warns us of disaster, and I can't help but wonder,	Way to save the world!
Can anyone hear the same distress call?	Way to save the world!
So this is a quest to save the world,	Wayto savethe world!
And he'll always be here for another,	So (7) is a quest to save the world,
Another day, (2) chance to	And he'll always be here for another,
(3)	Another day, another chance to rescue
(OK Jonny, lock and load)	So this is a quest to save the world,
This is all I need to feel alive,	And he'll always be here for another,
(Remember now, aim small, missed mark)	Another day, another chance to (8)
The crashing of white waves and I can't (4) but	This is all I need to (9) alive
listen,	
The screaming of the Earth, and I can't help but	
So this is a quest to save the world,	
And he'll (5) be here for another,	
Another day, another chance to rescue
