

Fill in the gaps

Rise above (1) start the war
What you want, what you need,
What'd you come here for?
Well, an eye for an eye
And an 'F' for fight
They're taking me down as a prisoner's riot
I've got shackles on, my words are tied
Fear can make you compromise
Lights turned up, it's hard to hide
Sometimes I want to disappear
When I feel kinda bad and don't want to stress
I just (2) it off, on ability
Well you got what you want, and what you never knew
Perfect gift from me to you
I've got shackles on, my words are tied
Fear can make you compromise
With the lights turned up, it's hard to hide
Sometimes I (3) to disappear
-Raise up to your ability-
You never knew what I could find
What to come when they realize
Don't, no one want to compromise

-Raise up to your ability-
I'm scared but I'll disappear
Run around before I'll come with you
Like he's someone who's lost his way
-Raise up to your ability-
I know that you wanna
Because it's possible to see
Of my ability
-Raise up to your ability-
Yeah you (4) decided it
Yeah so I can see you
Yeah I'm gonna (5) to my way
Focus on (6) (7)
Focus on your ability
Now focus on your ability
Focus on your ability
Then they cannot get what (8) want to steal
Cannot get what they want to steal
Then they cannot get what they (9) to steal
Cannot get (10) they want to steal
