

## Fill in the gaps

Rise above gonna (1) the war	-Raise up to your ability-
What you want, what you need,	I'm scared but I'll disappear
What'd you come (2) for?	Run (13) before I'll (14) with you
Well, an eye for an eye	Like he's (15) who's lost his way
And an 'F' for fight	-Raise up to your ability-
They're taking me down as a prisoner's riot	I know that you (16)
I've got shackles on, my words are tied	Because it's possible to see
Fear can (3) you compromise	Of my ability
Lights turned up, it's (4) to hide	-Raise up to your ability-
Sometimes I want to disappear	Yeah you (17) decided it
When I (5) (6) bad and don't want to	Yeah so I can see you
stress	Yeah I'm gonna away to my way
I just pass it off, on ability	(18) on your ability
Well you got (7) you want, and (8) you	Focus on (19) ability
never knew	Now (20) on your ability
Perfect gift from me to you	Focus on (21) ability
I've got shackles on, my words are tied	Then they cannot get what (22) want to steal
Fear can (9) you compromise	(23) get what (24) want to steal
Nith the lights (10) up, it's hard to hide	Then they (25) get (26) they want
Sometimes I want to disappear	to steal
Raise up to (11) ability-	Cannot get what they want to steal
You never knew what I could find	
(12) to come when they realize	
Don't, no one want to compromise
