Sight of the sun by Fun

For once there is nothing up my sleeve

Just some scars from a life

That used to trouble me

I used to run at first sight of the sun

Now I lay here waiting for you to wake up

The city outside still sounds like it's on fire

You put on new sheets

The white flag of a Saturday night

I know we stayed up talking in circles

But I like to think the symmetry

Will keep me closer to you

For everyone, I'm out to prove wrong

You keep the light on

The only one, you know me better than the (1)_____

So, despite what I've done

I (2)_____ to God that we can move on

Because thus far you are the (3)_____ thing

That this (4)_____ has yet to lose

And, for once there is nothing up my sleeve

Just some scars from a life that used to trouble me

I used to run at first sight of the sun

Now I lay here waiting for you to wake up

I lay here (5)_____ for you to wake up

So if you gonna leave, if you gonna go

I can't barely sleep without you in my arms

I know we got caught up slipping

Through a crowd of people and losers

But you must not let them take you

They don't know you like I do

For once there is nothing up my sleeve

Just some scars from a life that used to trouble me

I used to run at first sight of the sun

Now I lay here waiting for you to wake up

I lay here waiting for you to wake up

Do you remember when we stayed up

Till the sun strikes through the room?

I (6)_____ to blame it

On the Queens walking down 7th avenue

It's been years now since we moved

I've gotten through with an excuse

You know I try not to speak superlatives

But it's impossible to you

The city outside is (7)_____ but a flicker now

You see your friend at bed, you turn out the lights

I start to think you'll make a beautiful mother

I, I like to think

I've everything I want (8)_____ this life
