

Fill in the gaps

For once there is nothing up my sleeve	I know we got caught up slipping
Just (1) scars from a life	Through a crowd of people and losers
That used to (2) me	But you (14) not let (15)_
I used to run at first sight of the sun	(16) don't know you like I d
Now I lay here (3) for you to wake up	For once (17) is nothing
The city outside still sounds like (4) on fire	Just some (18) from a
You put on new sheets	to trouble me
The (5) (6) of a Saturday night	I used to run at first (20)
I know we stayed up (7) in circles	Now I lay here waiting for you to wake
But I like to think the symmetry	I lay here waiting for you to wake up
Will keep me closer to you	Do you remember when we stayed up
For everyone, I'm out to prove wrong	Till the sun strikes (21)
You keep the light on	I used to blame it
The only one, you know me better than the truth	On the Queens walking down 7th ave
So, despite what (8) done	It's been years now since we moved
I (9) to God that we can move on	I've (22) through (23)
Because thus far you are the best thing	You know I try not to speak superlativ
That this life has yet to lose	But it's impossible to you
And, for (10) there is nothing up my sleeve	The city outside is nothing but a flicke
Just some scars from a life that used to trouble me	You see your friend at bed, you (24)_
I used to run at (11) sight of the sun	I start to think you'll make a beautiful i
Now I lay here waiting for you to wake up	I, I (25) to think
I lay (12) waiting for you to wake up	I've (26) I w
So if you gonna leave, if you gonna go	
I can't (13) sleep without you in my arms	

I know we got caught up slipping	
Through a crowd of people and losers	
But you (14) not let (15) take you	
(16) don't know you like I do	
For once (17) is nothing up my sleeve	
Just some (18) from a (19) that used	
to trouble me	
I used to run at first (20) of the sun	
Now I lay here waiting for you to wake up	
I lay here waiting for you to wake up	
Do you remember when we stayed up	
Till the sun strikes (21) the room?	
I used to blame it	
On the Queens walking down 7th avenue	
It's been years now since we moved	
l've (22) through (23) an excuse	
You know I try not to speak superlatives	
But it's impossible to you	
The city outside is nothing but a flicker now	
You see your friend at bed, you (24) out the lights	
I start to think you'll make a beautiful mother	
I, I (25) to think	
I've (26) I want from this life
