

## Fill in the gaps

I'm a phoenix in the water		You'll be always on my mind
A fish that's learnt to fly		But there's a shining in the shadows
And I've always been a daughter		I'll never know unless I try
But feathers are meant for the sky		With every small disaster
So I'm wishing, wishing further		I'll let the waters still
For the excitement to arrive		Take me away to some place real
It's (1) I'd rather be (2)	the	Because they say home is
chaos		Where your heart is set in stone
Than laying at the sharp end of this knife		Is where you go when you're alone
With every small disaster		Is where you go to rest your bones
I'll let the waters still		It's not just where you lay your (6)
Take me away to some place real		It's not just where you make your bed
Because they say home is		As long as we're together, does it matter where we go?
(3) your heart is set in stone		Home, home, home
Is where you go when you're alone		Because they say home is
Is where you go to rest your bones		Where your heart is set in stone
It's not just where you lay your head		Is where you go when you're alone
It's not just where you (4) your bed		Is where you go to rest your bones
As long as we're together, does it matter where we go?		It's not just where you lay your head
Home, home		It's not just where you make your bed
So (5) I'm ready to be bolder		As long as we're together, does it matter where we go?
And my cuts have healed with time		Home, home, home
Comfort will rest on my shoulder		
And I'll bury my future behind		
I'll always keep you with me
