

Fill in the gaps

You are the avalanche		In the dead of night	
One world away		Let the (8) play out	
My (1) believing		As I'm making my way home again	
(2) I'm wide awake		Glorious we transcend	
Just a trick of light		Into a psychedelic silhouette	
To (3) me back (4)	again	I never meant to fall for you but I	
Those wild eyes		Was (9) (10)	and
A (5) silhou	ette	All that I could see was white	
I never meant to fall for you but I		My salvation	
Was (6) underneath and		My, my	
All (7) I could see was white		My salvation	
My salvation		My, my	
My, my		My salvation	
My salvation		My, my	
My, my		My salvation	
You are the snowstorm		My, my	
I'm purified
