

## Fill in the gaps

We are difficult to understand		
It was hard to make this simple plan work		
Difficult, but that's what made it burn		
You're a satellite around my heart		
One million (1) before the start		
Indescribable, but that's what makes it you		
Shivers up and down my spine		
Feed to the teeth		
Inside this big bright world		
Inside this big bright world		
Inside this big bright world		
We rage against the dying		
Rage against the dying light		
(2) mysterious, you make no sense		
I love you because you're innocent		
You fell out through a hole inside the sun		
So magnify the best (3) me		
Build the parts so you can't find me		
The (4) (5) won't give out when		
things get hard		

Shivers up and down my spine			
Feed to the teeth			
Inside this big bright world			
Inside (6)	big bright world		
Inside this big bright world			
Round and around	d in the (7)	sun
