Big bright world by Garbage

We are difficult to understand
It was hard to make this simple plan work
Difficult, but that's (1)_____ made it burn
You're a satellite around my heart
One million miles before the start
Indescribable, but that's what makes it you
(2)_____ up and down my spine
(3)_____ to the teeth
(4)_____ this big bright world
Inside this big bright world
Inside this big bright world
We rage against the dying
Rage against the (5)_____ light
You're mysterious, you make no sense
I love you because you're innocent
You fell out through a hole inside the sun
So magnify the best inside me
Build the parts so you can't find me
The parts that won't give out when things get hard

Shivers up and down my spine
Feed to the teeth
Inside this big bright world
Inside this big bright world
Inside this big (6)_____ world
Round and (7)_____ in the setting sun
(8)_____ and around in the setting sun
Round and around in the setting sun
Round and around and around and around and around
Inside this big bright world
Inside this big bright world
Inside this big bright world
(9)_____ this big bright world
Rage against the dying
Rage against the dying light
