Blood for poppies by Garbage

Fill in the gaps

Salute the sun I've been sitting here all (1) long	Into your (5) I'm falling
Hauling rock over Buddha	-I'm falling, I'm falling-
With the Longhorn	I don't know why they are calling on the radio
Got a hole rip a pocket off my uniform	They know I'm here just out of sight
With the Black Watch boys get your (2) down	I don't know why they're calling on the radio
Duty calls but it is way too late	He's by my side and I know I'm right
I'm too far gone	I don't know why they are calling on the radio
Waiting for Godot hell with my pants down	They know I'm here just out of sight
Cracked the stash sent me crying in the (3)	I don't know why they're calling on the radio
sun	He's by my side and I know I'm right
I (4) my dog and I miss my freedom	My brain my body's fried
I don't know why they are calling on the radio	I've got to stay alive
They know I'm here just out of sight	I've got to take a chance and keep on moving
I don't know why they're calling on the radio	Keep on moving
He's by my side and I know I'm right	I don't know why they are calling on the radio
I don't know why they are calling on the radio	They know I'm here just out of sight
They know I'm here just out of sight	I don't know why they're calling on the radio
I don't know why they're calling on the radio	He's by my side and I (6) I'm right
He's by my side and I know I'm right	I don't know why they are calling on the radio
I hate the things I think about you when I'm all alone	God is on my side and I (7) I'm righ
I know you're tough but I've been gone for so long	I don't know why they are calling on the radio
I play the memories of you inside my head	God is on my side and I know I'm right
So all these pictures of us burn and radiate	I see your (8) from miles away
Watch the clouds and I'm falling	I see (9) light from miles away
Falling through the cracks	
Head beats and the heart is pounding fast	
Off the ground into the starry dark
