Salute the sun I've been sitting here all night long	Into your arms I'm falling
(1) rock over (2)	-I'm falling, I'm falling-
With the Longhorn	I don't (20) why (21) are calling on the
Got a hole rip a pocket off my uniform	radio
(3) the Black Watch boys get your heads down	They (22) I'm here just out of sight
(4) (5) but it is way too (6)	I don't know why they're calling on the radio
	He's by my side and I know I'm right
I'm too far gone	I don't know why they are calling on the radio
Waiting for Godot hell with my pants down	They (23) I'm here just out of sight
(7) the (8) sent me crying in	I don't know why they're (24) on the radio
the (9) sun	He's by my side and I know I'm right
I (10) my dog and I miss my freedom	My brain my body's fried
I don't know why they are calling on the radio	I've got to stay alive
They know I'm here (11) out of sight	I've got to (25) a (26) and keep on
I don't know why they're calling on the radio	moving
He's by my side and I know I'm right	Keep on moving
I don't know why (12) are calling on the radio	I don't know why they are calling on the radio
They know I'm here (13) out of sight	They (27) I'm here just out of sight
I don't know why they're calling on the radio	I don't know why they're calling on the radio
He's by my (14) and I know I'm right	He's by my side and I know I'm right
I hate the things I think (15) you (16)	I don't know why they are (28) on the radio
I'm all alone	God is on my side and I know I'm right
I (17) you're tough but I've been gone for so long	I don't know why they are calling on the radio
I play the memories of you inside my head	God is on my side and I know I'm right
So all (18) pictures of us burn and radiate	I see your light from miles away
Watch the clouds and I'm falling	I see your light from miles away
Falling through the cracks	
Head beats and the heart is pounding fast	
Off the ground into the (19) dark
