

Fill in the gaps

Salute the sun I've been sitting here all night long
Hauling rock (1) Buddha
With the Longhorn
Got a hole rip a pocket off my uniform
With the Black Watch boys get your heads down
Duty calls but it is way too late
I'm too far gone
(2) for Godot hell with my pants down
Cracked the stash sent me crying in the midday sun
I miss my dog and I miss my freedom
I don't know why they are calling on the radio
They know I'm here just out of sight
I don't know why they're calling on the radio
He's by my side and I know I'm right
I don't know why they are calling on the radio
They (3) I'm here just out of sight
I don't know why they're calling on the radio
He's by my side and I know I'm right
I hate the things I think about you when I'm all alone
I know you're tough but I've been gone for so long
I play the memories of you inside my head
So all these pictures of us burn and radiate
Watch the clouds and I'm falling
Falling through the cracks
Head beats and the heart is pounding fast
Off the ground into the starry dark
