

Fill in the gaps

Dreams, that's where I have to go	But I'm not even close without you
To see your beautiful face anymore	If you ask me how I'm doing
I stare at a (1) of you, and listen to the	I would say I'm doing just fine
radio	I would lie and say that you're not on my
Hope, hope there's a conversation	But I go out and I sit down at a table set
Where we both (2) we had it good	And (7) I'm forced to f
But until then it's alienation, I know	No matter what I say I'm not over you
That much is understood and I realize	And if I had the chance to renew
If you ask me how I'm doing	You (8) there isn't a (9)
I would say I'm doing (3) fine	I could get back on the right track
I would lie and say that you're not on my mind	But only if you'd be convinced
But I go out and I sit (4) at a (5) set	So until then
for two	If you ask me how I'm doing
And finally I'm forced to face the truth	I would say I'm doing just fine
No matter what I say I'm not over you	I would lie and say that you're not on my
Not over you	But I go out and I sit down at a table set
Damn, damn girl you do it well	And finally I'm forced to face the truth
And I thought you were innocent	No matter what I say I'm not over you
(6) this heart and put it through hell	Not over you, not over you, not over you
But still you're magnificent	
I'm a boomerang, doesn't matter how you throw me	
I turn around and I'm back in the game	
Even better than the old me
