

Fill in the gaps

I got lots of jealous lovers				
That all wish they had me back				
Got a pistol for a mouth, my own mamma gave me that				
Making my own road out of gravel and some wine				
If I have to fall then it won't be in your line				
Everybody's doing it so why the hell should I?				
Everybody's (1) it so why the hell				
(2) 1?				
I'm a bad woman to keep				
Make me mad, I'm not here to please				
Paint me in a corner				
But my colour comes back				
Once you go black you never go back				
I'm a (3) sheep				
I'm a black sheep				
I wasn't born a beauty queen but I'm okay with that				
Maybe radio won't mind				
If I sing a little flat				
I wear my boots to bed, hang a cross up on the wall				
To save me from a shallow break				
Who wants to take us all				
Everybody's doing it so why the hell should I?
