Fill in the gaps

I dropped you off Just a little after midnight Sat in my car Till you turned off your porch light I should have kissed you I should have pushed you up against the wall I should have kissed you ____ like I wasn't scared at all I turned off the car Ran through the yard Back to your front door Before I could knock You turned the lock And met me on the front porch And I kissed you, goodnight And now that I've kissed you ____ a (3)____ night, good night, baby goodnight You couldn't see me Watching through the window Wondering (4)_____ went wrong Praying that you wouldn't go You should have (5)_____ me You should have pushed me up against the wall You should (6)_____ kissed me

I was right on the edge and ready to fall	
So I turned off the car	
Ran through the yard	
Back to your front door	
(7) I could knock	
You turned the lock	
And met me on the front porch	
And I kissed you, goodnight	
And now that (8) kissed you	
It's a good night, good night, (9) goodnight	nt
I turned off the car	
Ran through the yard	
Back to your front door	
Half scared to death can't catch my breath	
Aren't these the moments we live for?	
And I kissed you, goodnight	
And now that I've kissed you	
It's a good night, good night, baby goodnight	
It's a good night, good night, baby goodnight	
It's a good night, good night, baby goodnight	
It's a good night, good night, baby goodnight
