Fill in the gaps

Oh love, oh love		Waste away tonight	
Won't you rain on me tonight?		Tonight my heart's on the loose	
Oh life, oh life		Talk myself out of feeling	
Please don't (1) me by		Talk my way out of control	
Don't stop, don't stop		Talk myself out of (5)	in love
Don't (2) when the red (3)	flash	Falling in love (6) yo	u
Oh ride, free ride		Oh love, oh love	
Won't you take me close to you?		Won't you (7) on me tonight?	
Far away, far away		Oh ride, free ride	
Waste away tonight		Won't you take me close to you?	
I'm wearing my heart on a noose		Far away, far away	
Far away, far away		Waste away tonight	
Waste away tonight		I'm wearing my (8)	on a noose
Tonight my heart's on the loose		Far away, far away	
Oh lights and action		(9) away tonight	
I just can't be satisfied		Tonight my heart's on the loose	
Oh losers and choosers		Far away, far away	
Won't you please hold on my life?		Waste away tonight	
Oh (4) and hours		I'm wearing my heart on a noose	
Like the dog years of the day		Far away, far away	
Old story, same old story		Waste away tonight	
Won't you see the light of day?		Tonight my heart's on the loose	
Far away, far away		Tonight my heart's on the loose	
Waste away tonight		Tonight my heart's on the loose	
I'm wearing my heart on a noose
