Yeah, I left my body in the sea of people	•	And I am what I am, a natural disaster
And that's just how I'll leave it		Pick me up at three, send me off to sea
Yeah, I met somebody in the sea of people		And maybe I'll come back for you
And that's just what I (1)	in	See, I lost my clothes, I'm skinny-dipping
Yeah, we (2)	aughing like a	And I can't understand what I'm after
(3) night		Swim, swim, swim in a swimming pool
We ran across the interstate		The sky is blue, the (8) are too
And drank a bottle of vinegar		Swim, swim, swim from green to red
And then we stayed up (4)	late	Go to bed, you sleepyhead
(5) me now, break it down	in the hot, hot desert	Swim, swim, swim in your swimming pool
This is where I want to be		Like swimmers do
Bring me now, break it down in the hot, I	hot desert	I'll call on you
This is where I want to be		Yeah, I left my body in the sea of people
And I am what I am, a natural disaster		And that's just how I'll leave it
Pick me up at three, send me off to sea		Yeah, I met somebody in the sea of people
And maybe I'll come back for you		And that's just what I believe in
See, I lost my clothes, I'm skinny-dipping	g	That's just (9) I believe in
And I can't (6)	what I'm after	That's just what I believe in
So as we lay upon this ground		And I am what I am, a natural disaster
I swear you look like Lucifer		Pick me up at three, send me off to sea
But green is blue, and so are you		And maybe I'll come back for you
And now we're going to Jupiter		See, I lost my clothes, I'm skinny-dipping
ah, sh*t-		And I can't understand (10) I'm after
Bring me now, break it down in the hot, I	hot desert	Swim, swim, swim
(7) is where I want to be		
Bring me now, break it down in the hot, I	hot desert
