Up, up in the air	No need to be sad
And I run around, around, around, (1) this	It really ain't that bad

And act like I don't care	No need to be sad
So (3) you see me (4) by the	It really ain't (17) bad
planet's moon	It's the colours you have
You don't (5) to explain if everything's changed	No need to be sad

So I pull the switch	So I am a man, man, man
The switch, the (8) inside my head	Up, up in the air
And I see black, black, green and brown	And I (19) around, around, around this town,
Brown, brown and blue, yellow, violets, red	town
And suddenly a light appears inside my brain	And (20) I shouldn't care
And I (9) of my ways	So when you see us there
I think of my (10) and know that I have changed	There out in the open road
It's the colours you have	You don't need to explain
No need to be sad	If everything's changed
