

Fill in the gaps

You got me caught in all this mess	When you go in for a hug and your cheeks brush
I guess we can blame it on the rain	Tell me am I crazy
My pain is (1) I can't have you	Or is this more than a crush?
I can't have you	Maybe I'm alone in this
Tell me, does she look at you the way I do?	But I find peace in solitude knowing
Try and understand the words you say	If I had but just one kiss this (4) (5)
And the way you move?	Would be glowing
Does she get the same big rush	We'd be glowing
(2) you go in for a hug and your cheeks brush?	We'd be glowing
Tell me, am I crazy	Does she, tell me
Or is this more than a crush?	Does she (6) at you the way I do
I catch my breath	Try and understand the words you say
The one you took	And the way you move
The moment you entered the room	Does she get the (7) big rush
My heart, it breaks at the thought	When you go in for a hug and your cheeks brush
Of her holding you	Tell me am I crazy
(3) she look at you the way I do	Or is (8) (9) than a crush?
Try and understand the words you say	Is this (10) than a crush?
And the way you move	
Does she get the same big rush
