Take my hand	It's all about us
(1) teach you to dance	Do you hear that, love?
I'll spin you around	They're (6) our song
Won't let you fall down	Do you think we're ready?
Would you let me lead?	Oh (7) really feeling it
You can step on my feet	Do you (8) that, love?
Give it a try, it'll be alright	Do you hear that, love?
The room's hush-hush	Do you hear that, love?
And now's our moment	(9) playing our song
Take it in feel it all and hold it	Do you think we're ready yet?
Eyes on you, eyes on me	Love I'm really feeling it
We're doing this right	Do you hear that, love?
Because lovers dance when they're feeling in love	Do you hear that, love?
Spotlight shining, it's all about us	Do you hear that, love?
It's all about us	They're playing our song
And every (2) in the room (3) melt	Do you think we're ready yet?
This is a feeling I've never felt but	Oh I'm really feeling it
It's all about us	Do you hear that, love?
Suddenly, I'm feeling brave	Do you hear that, love?
I don't know what's got into me	Lovers dance when they're feeling in love
Why I feel this way	Spotlight shining, it's all about us
Can we dance, really slow?	it's all about us, It's all
Can I hold you, can I hold you close?	Every (10) in the room will melt
The room's hush-hush	This is a feeling I've never felt, but
And now's our moment	It's all about us
Take it in feel it all and hold it	Because lovers dance when they're feeling in love
Eyes on you, eyes on me	Spotlight shining, it's all about us
We're doing this right	It's all about us
(4) lovers dance when they're feeling in	And every heart in the room will melt
love	This is a feeling I've never felt but
Spotlight shining, it's all about us	It's all, it's all about us
