

(please dont leave me)

Everybodys bleeding

Fill in the gaps

Mother mother tell your children	cause the times are tough
That their time has just begun	Well its hard to be strong
I have suffered for my anger	When theres no one to dream on
There are wars that cant be won	Faith: you know youre gonna live thru the rain
Father father please believe me	Lord you got to keep the faith
I am laying (1) my guns	Now you know is not too late
I am broken like an arrow	Oh you got to keep the faith
Forgive me	Faith: dont let your love turn to hate
Forgive your wayward son	Right now we got to
Everybody needs somebody to love	Keep the faith
(mother, mother)	Keep the faith
Everybody needs somebody to hate	Keep the faith
(please believe me)	Lord we got to keep the faith
Everybodys bitching	Walking in the footsteps
cause they cant get enough	Of societys lies
And its hard to hold on	I dont like (3) I see no more
When theres no one to lean on	Sometimes I (4) that I was blind
Faith: you know youre gonna (2) thru the rain	Sometimes I (5) forever
Lord you got to keep the faith	To stand out in the rain
Faith: dont let your love turn to hate	So no one (6) me cryin
Right now we got to	Trying to wash away the pain
Keep the faith	Mother father
Keep the faith	Theres things Ive done I (7) erase
Keep the faith	Every (8) we fall from grace
Lord we got to keep the faith	Its hard with the world in yours face
Tell me baby when I hurt you	Trying to hold on, trying to hold on
Do you keep it all inside	Faith: you know youre gonna live thru the rain
Do you tell me als forgiven	Lord you got to keep the faith
And just hide behind your pride	Faith: dont let your (9) turn to hate
Everybody needs somebody to love	Right now we got to keep the faith
(mother, father)	Faith: now its not too late
Everybody needs somebody to hate	Try to hold on, trying to hold on

Keep the faith

Answ 1. down

- 2. live
