

Fill in the gaps

Run and tell all of the angels	Make my way (14) (15) when I learn to
This could take all night	fly
Think I need a devil to help me get things right	Make my way back (16) when I (17)
Hook me up a new revolution	to
'Cause this one is a lie	Fly along (18) me, I can't quite make it alone
I sat (1) laughing and watched the	Try to (19) this life my own
(2) one die	Fly along with me, I can't quite make it alone
I'm looking to the sky to (3) me	Try to (20) this life my own
Looking for a (4) of life	I'm looking to the sky to (21) me
Looking for something to (5) me burn out bright	Looking for a (22) of life
I'm looking for complication	Looking for something to help me (23) out bright
Looking 'cause I'm tired of lying	I'm looking for a complication
Make my way back (6) when I learn to fly	Looking cause I'm (24) of trying
I think I'm (7) (8) patience	Make my way back home when I learn to
It can wait one night	I'm looking to the sky to save me
Give it all away if you give me one last try	Looking for a sign of life
We'll live (9) ever trapped if you just save	Looking for something to help me burn out bright
my life	I'm looking for a complication
Run and (10) the angels that everything's all right	Looking 'cause I'm tired of trying
I'm looking to the sky to (11) me	Make my way back home when I learn to fly
Looking for a sign of life	Make my way back home when I learn to fly
Looking for (12) to help me	Make my way (25) home when I learn to
(13) out bright	
I'm looking for a complication	
Looking 'cause I'm tired of trying
