Wanted by Hunter Hayes

Fill in the gaps

You know I'd fall apart without you		And I wanna (5) you mine
I don't know how you do what you do		Wanna hold your hand forever
Because everything that don't make sense about me		Never let you forget it
Make (1) when I	m with you	Because baby I wanna make you feel wanted
Like (2)	that's green, girl I need you	As good as you make me feel
But it's more than one and one makes two		I wanna make you feel better
Put aside the math and the logic of it		Better than your fairy tales
You gotta know you want it too		Better than your best dreams
Because I wanna wrap you up		You're more than everything I need
Wanna kiss your lips		You're all I ever wanted
I wanna make you feel wanted		All I ever wanted
And I wanna call you mine		And I just wanna wrap you up
Wanna hold your hand forever		Wanna (6) your lips
Never let you forget it		I wanna make you feel wanted
I wanna (3) you fee	el wanted	And I (7) (8) you mine
Anyone can tell you you're pre	tty	Wanna hold your hand forever
You get that all the time, I know	w you do	Never let you (9) it
But your beauty is deeper than	n the make up	I wanna make you feel wanted
And I wanna show you what I see tonight		Baby I wanna make you feel wanted
When I (4) you up		Because you'll always be wanted
When I kiss your lips
