

Fill in the gaps

We throw (1) (2) parties		I wanna get well, I wanna get well
We're not happy till everyone		Are the rest of you so content
Knows we're sick		Stay where you are but it hurts like hell
And that's just how we like it		And I'm sure it's fun at first
We've hurt bad enough, right, we've earned it		Test your pulse and check your (16)
Don't tell the (3)		If it's only a game you lost me
But it's all getting old, I mean		I quit it with the suicidal recital
How many more times must our (4)	be	Yes, we should've known it would end this way
told?		What did you expect, pretended it all (17)
And being lonely's (5) fun in a group		And all we've got left is a sorry pile of (18)
It sort of loses it's charm (6) it's true		I'm getting out, (19) (20) myself a
I (7) it when I said		new (21)
I wanna get well, I (8) get well		Come on dry your eyes, meet me on the other side
Are the rest of you so content?		Run as fast as you can and we'll make it out alive
Stay where you are but it hurts like hell		We know better now, we don't have to (22) like
And I'm sure it's fun at first		this
Test your pulse and check (9) vitals		Go tell them all we don't have to live like this
If it's only a (10) you lost me		-I (23) it (24) I said I wanna get well-
I quit it with the suicidal recital		I meant it when I said
So now you (11) all my secrets		I wanna get well, I wanna get well
I want out, I know I don't (12) this		Are the rest of you so content
Can you find me friends		Stay where you are but it hurts like (25)
That don't rank me on what I've been through?		And I'm sure it's fun at first
The more battle scars the more attention it gets you		Test your pulse and check (26) vitals
Don't (13) the others		If it's only a (27) you (28) me
But it's all getting old, I mean		I quit it with the (29) recital
How many more (14) must our stories be tole	d?	If it's only a game you (30) me
And being lonely's only fun in a (15)		I quit it with the suicidal recital
It sort of loses it's charm when it's true		
I meant it when I said
