Make a move by Icon for hire

Fill in the gaps

While we just play our part

-Somebody make a move-
-Somebody make a move, somebody-
Test my reality
Check if there's a weak spot
Clinging to insanity
Hopes the world will ease up
Try to make it look like
It's all somehow getting better
Because I know how to play it pretty good
Against the measure
Everyone started out a little insane
But you learn pretty quick how to fake it for the game
But some of you
Never learned to drop the act
So under that skin of yours: a heart attack
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live screaming in the dark
While we just play our part
I'll play right along
Like I don't know what's going on
(1) make a move
Somebody make a move
Please somebody make a move
We all know, we all know what's going on
Hey if I had the (2) I'd have written them
out
So I could tell you what to do and what this thing is about
But all I've ever learned comes second-hand
And I dare not preach what I don't detent
You and I, we share the same disease
(3) up, compromise what we grieve
I've let more than my share of revivals die
This isn't pretty but it's what I am tonight
Because everybody's so scared
We don't wanna go there
We don't wanna make a move

We got all us to live screaming in the dark

I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
(4) somebody (5) a move
We all know, we all know what's going on
Pointing my fingers the problems still linger
(6) keep getting bigger and I hold the trigger
Running with fire I live like a liar
Please somebody make a move
-Somebody make a move- I'm pointing my fingers
-Somebody make a move- The problems still linger
- Somebody make a move- I'm pointing my fingers
Please somebody make a move
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
Screaming in the dark
While we (7) play our part
I'll play right along
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live screaming in the (8)
While we just play our part
I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody (9) a move
Please somebody make a move
We all know, we all know what's going on
Somebody make a move
Somebody make a move
Please somebody make a move
We all know, we all know what's going on
