Make a move by Icon for hire

-Somebody make a move-
-Somebody (1)_____ a move, somebody-

Check if there's a weak spot
Clinging to insanity
Hopes the world will ease up
Try to (2)_____ it look like
It's all somehow getting better
Because I know how to play it (3)_____ good
Against the measure
Everyone started out a little insane
But you learn pretty quick how to fake it for the game
But some of you
Never learned to drop the act
So under that skin of yours: a heart attack
Because everybody's so scared
We don't wanna go there
We don't wanna (4)_____ a move
We got all us to live screaming in the dark
While we just play our part
I'll play right along
Like I don't know what's going on
(5)_____ make a move

We all know, we all know what's (6)_____ on

But all I've ever learned comes second-hand
And I (9)_____ not preach what I don't detest
You and I, we share the same disease
Cover up, compromise what we grieve
I've let more than my share of revivals die
This isn't pretty but it's what I am tonight
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live (10)_____ in the dark

While we (11)_____ play our part

Like I don't know what's going on
