-Somebody make a move-	While we just (14) our part
-Somebody make a move, somebody-	l'll play (15) along
Test my reality	Like I don't know what's going on
Check if there's a weak spot	(16) a move
Clinging to insanity	Somebody make a move
Hopes the world will ease up	Please somebody make a move
Try to make it (1) (2)	We all know, we all know what's (18) on
It's all somehow (3) better	Pointing my fingers the problems (19) linger
Because I know how to play it pretty good	They keep getting bigger and I hold the trigger
(4) the measure	Running with fire I live like a liar
Everyone started out a (5) insane	Please somebody make a move
But you (6) pretty quick how to fake it for the	-Somebody make a move- I'm pointing my fingers
game	-Somebody (20) a move- The problems still linger
But some of you	- Somebody (21) a move- I'm pointing my fingers
Never learned to drop the act	(22) somebody (23) a move
So under that skin of yours: a heart attack	Because everybody's so scared
Because everybody's so scared	We don't wanna go there
We don't wanna go there	We don't wanna make a move
We don't wanna make a move	Screaming in the dark
We got all us to live screaming in the dark	While we just play our part
While we just (7) our part	I'll play right along
I'll play right along	Because everybody's so scared
Like I don't know what's going on	We don't wanna go there
Somebody make a move	We don't wanna make a move
Somebody make a move	We got all us to live screaming in the dark
Please somebody make a move	While we just play our part
We all know, we all know what's going on	l'll (24) (25) along
Hey if I had the answers I'd have (8) them	Like I don't know what's going on
out	Somebody (26) a move
So I (9) tell you (10) to do and what	(27) make a move
his thing is about	Please somebody make a move
But all I've ever learned comes second-hand	We all know, we all (28) what's going on
And I dare not preach what I don't detent	Somebody make a move
You and I, we share the same disease	Somebody make a move
Cover up, compromise what we grieve	Please somebody make a move
I've let more (11) my (12) of revivals	We all know, we all (29) what's going on
die	
This isn't pretty but it's (13) I am tonight	
Because everybody's so scared	
We don't wanna go there	
We don't wanna make a move	
We got all us to live screaming in the dark
