We always dreamed about (1) better life,	We can smash the club
(2) (3) life	Make the pop go rock
We always (4) we'd come in all along,	(13) a love (14) deep
yeah all along	We don't need no sleep
We got the keys to open paradise, your paradise	And it (15) like
Now (5) go (6) hand in	We could do this all night
hand	We could do this all night
Come on baby we can hit the lights	Yeah, everything is alright
Make the wrongs turn right	We got the keys to open paradise, (16) paradise
We can smash the club	It feels (17) we (18) do
(7) the pop go rock	(19) all night
(8) a (9) this deep	We (20) do this all night
We don't need no sleep	Come on baby we can hit the lights
And it feels like	Make the wrongs (21) right
We could do this all night	We can smash the club
We could do this all night	Make the pop go rock
Yeah, everything is alright	With a love (22) deep
We got the keys to open paradise, your paradise	We don't need no sleep
It feels like we could do this all night	And it feels like
We could do this all night	We could do this all night
Oh, we can dance under the summer skies	We could do this all night
The summer skies	We could do this all night
The seasons change, our hearts (10) stay the	Yeah, everything is alright
same	We got the keys to open paradise, your paradise
Yeah stay the same	It feels (23) we (24) do this all night
We got the burning feeling, start a fire	
Start a fire	
Give it a shout let's make it hot	
Come on (11) we can hit the lights	
(12) the wrongs turn right
