

## Fill in the gaps

They say you're a freak	Back to back we'll do this (7) the end of time
When we're having fun	You and I live don't learn
Say you must be (1)	Everyday we fire it up and let it burn
When we're spreading love	Just come into my arms
But we're just living (2) and we never stop	I will get your life drunk
We got the world	We'll be (8) bright
We got the world	Us against the world tonight
We can (3) fast, fly young	(9) say you're a freak
Everyday we celebrate just like we want	When we're having fun
Only you and I, DIY	Say you must be high
We found a way to live the (4) until we die	(10) we're spreading love
Just come into my arms	But we're just living life and we never stop
I will get your life drunk	We got the world
We'll be burning bright	We got the world
Us (5) the world tonight	They say you're a freak
They say you're a freak	When we're having fun
When we're having fun	Say you must be high
Say you must be (6)	When we're spreading love
When we're spreading love	But we're just living life and we never stop
But we're just living life and we never stop	We got the world
We got the world	We got the world
We got the world
