

Fill in the gaps

Morning	People (13) you not to take chances
It's another pure grey morning	When they told you (14) there ain't any answers
Don't know what the day is holding	And I was starting to agree
When I get uptight	But I awoke suddenly
And I walk right into the path of that lightning bolt	In the path of (15) lightning bolt
Sirens of an ambulance comes howling	Fortune, people talking is all about fortune
Right through the center of town and	Do you make it or (16) it just (17) you
No one blinks an eye	In the (18) of an eye
And I (1) up to the sky	Just (19) passer-by in the path of that
For the (2) of that (3) bolt	lightning bolt
Met her	(20) I see just wants
As the angels have parted for her	To walk with (21) teeth
But she only brought me torture	But I just stand by and I wait my time
But that's what happens (4) it's you that's	They say you got to toe the line
(5)	They want the water not the wine
In the path of that (6) bolt	But when I see the signs I jump on that
Everyone I see (7) (8)	(22) bolt
To (9) with (10) teeth	In silence
But I just stand by and I wait my time	I was (23) back (24) skyward
They say you got to toe the line	When the moment got shattered
They want the water not the wine	I remembered what she said
But when I see the signs I (11) on (12)	And (25) she (26) in the path of
lightning bolt	(27) lightning bolt
And chances
