

## Two fingers by Jake Bugg

I drink to remember, I smoke to forget  
Some things to be proud of  
Some stuff to regret  
Run down some dark alleys in my own head  
Something is changing, changing, changing  
I go back to Clifton to see my old friends  
The best people I could ever have met  
Skin up a fat one, hide from the Feds  
Something is changing, changing, changing  
So I kiss goodbye  
To every little ounce of pain  
Light a cigarette and (1)\_\_\_\_\_ the world away  
I got out, I got out, I'm alive and I'm here to stay  
So I hold two fingers up to yesterday  
Light a cigarette and smoke it all away  
I got out, I got out, I'm alive and I'm here to stay  
Down in the kitchen, drinking White Lightning  
He's with my momma, yelling and fighting  
And it's not the first time praying for silence  
Something is changing, changing, changing  
So I kiss goodbye
