I drink to remember, I smoke to forget		
Some things to be proud of		
Some stuff to regret		
Run down some dark alleys in my own head		
Something is changing, changing, changing		
I go back to Clifton to see my old friends		
The best people I could ever have met

Light a (3) and wish the world away

I got out, I got out, I'm alive and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away
