

How can I find you

## Fill in the gaps

It's never too late to turn it back around

## Up by James Morrison & Jessie J

When (1) always hiding from yourself	Yeah I know you can
Playing (2) and seek with me	Don't bury (6) demons (7) in the
Till it gets too dark	ground
Too dark, inside your shell	When it all falls down
Why do I even try	The only way is up, up, up
When you take me for granted	The only way is up, up, up
I should know better by now	Well, it's your love that's strong
When you call I already (3) that crashing sound	It's the only (8) that keeps me holding on
As it all falls down	It's your heart this weak
It's never too late to turn it back around	But it's not too weak to bring you back to me
Yeah I know you can	It's never too late to turn it back around
Don't bury your days deep in the ground	Yeah, I know you can
When it all falls down	Don't bury your days deep in the ground
The only way is up, up, up	When it all falls down
The only way is up	When it all falls down
I watch your spirit break	It's never too late to turn it back around
As it shatters into a million pieces	Its never too late
Just like glass I see (4) through you	When it all falls down
In your parade of excuses	The only way is up
Feels like groundhog day	The only way is up, up, up
You say the same things over and over	The only way is up
(5) that look in your eye	When it all (9) down
And I hear that crashing sound	
As it all falls down
