

Fill in the gaps

Up by James Morrison & Jessie J

How can I find you	it's never too late to turn it back around
(1) you're (2) (3)	Yeah I know you can
from yourself	Don't (18) your demons deep in the ground
Playing hide and (4) with me	When it all falls down
Till it (5) too dark	The only way is up, up
Too dark, inside your shell	The only way is up, up
Why do I even try	Well, it's your love that's strong
When you take me for granted	It's the only (19) that keeps me holding on
I should know better by now	It's (20) heart this weak
(6) you call I already hear that crashing sound	But it's not too (21) to (22) you back
As it all falls down	to me
It's (7) too late to turn it back around	It's never too late to turn it back around
Yeah I know you can	Yeah, I know you can
Don't bury your (8) deep in the ground	(23) bury your days deep in the ground
When it all falls down	When it all (24) down
The (9) way is up, up, up	When it all (25) down
The only way is up	(26) never too late to turn it back around
I watch your (10) break	Its never too late
As it shatters into a million pieces	When it all falls down
Just like glass I see (11) through you	The only way is up
In your (12) of excuses	The only way is up, up
Feels (13) groundhog day	The only way is up
You say the same things (14) and over	(27) it all falls down
(15) look in your eye	
And I hear (17) crashing sound	
As it all falls down
