

Up by James Morrison & Jessie J

How can I find you
When (1) always hiding from yourself
Playing hide and seek with me
Till it gets too dark
Too dark, inside your shell
Why do I even try
When you take me for granted
I should know better by now
When you call I already hear that (2)
sound
As it all falls down
It's never too late to turn it back around
Yeah I know you can
(3) bury your days deep in the ground
When it all falls down
The only way is up, up, up
The only way is up
The only way is up I watch your spirit break
, , ,
I watch your spirit break
I watch your spirit break As it shatters (4) a million pieces
I watch your spirit break As it shatters (4) a million pieces Just like glass I see right through you
I watch your spirit break As it shatters (4) a million pieces Just like glass I see right through you In (5) parade of excuses
I watch your spirit break As it shatters (4) a million pieces Just like glass I see right through you In (5) parade of excuses Feels like groundhog day
I watch your spirit break As it shatters (4) a million pieces Just like glass I see right through you In (5) parade of excuses Feels like groundhog day You say the same things over and over

Fill in the gaps

When it all falls down

It's never too late to turn it back around
Yeah I know you can
Don't bury your demons deep in the ground
When it all falls down
The only way is up, up, up
The (7) way is up, up, up
Well, it's your love that's strong
It's the (8) thing that keeps me holding on
It's your heart this weak
But (9) not too weak to bring you back to me
It's never too late to turn it back around
Yeah, I know you can
Don't bury your days deep in the ground
When it all falls down
When it all falls down
It's never too late to turn it back around
Its never too late
When it all falls down
The only way is up
The only way is up, up, up
The only way is up
