

Smile by Lily Allen

When you first left me I was wanting more
But you were fucking that girl next door,
What did you do that for? (What did you do that for?)
When you first left me I didn't know what to say
I've never been on my own that way, just sat by myself all day
I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can (1)_____ a little (2)_____ and a moan
And it's only because you're feeling alone
At first when I see you cry,
Yeah it (3)_____ me smile, yeah it makes me smile
At worst I feel bad for a while,
But then I (4)_____ smile I go ahead and smile
Whenever you see me you say that
You want me back(Want be back)
And I (5)_____ you it don't mean jack,(It don't mean jack)
No it don't mean jack(No it don't mean jack)
I couldn't stop laughing,
No I just couldn't help myself
See you messed up my mental health
I was quite unwell
I was so lost back then
