Fill in the gaps

Tattoos on this town by Jason Aldean

There's still black marks on that county road	It's (5) we're made o
Where we drag raced our pick ups	It sure left it's mark on us,
And mustangs	We (6) left our mark on it
And weathered on the summer rain	We let the world know we were here
And to this day up on that overpass	With (7) we did
Even (1) the new paint, you can	We laid a lot of memories down,
still see:	Like tattoo's on this town
"Allie will you (2) me?"	Like tattoo's on this town
Take a ride, look around	Everywhere, there we are
There ain't no doubt	It hits me right, in my heart
It sure left it's mark on us,	It sure left it's (8) on us,
We sure left our mark on it	we sure left our mark on it
We let the world (3) we were here	We let the world know we were here
With everything we did	With everything we did
We laid a lot of memories down	We laid a lot of memories down,
Like tattoo's on this town	But we'll always be hanging around
There's still a rope burn on the old branch,	(9) tattoo's on (10) town
that hangs over the river, I still got the scare	Like tattoo's on this town
From swinging out a little too far	
There ain't a corner of this (4) ground,	
That we ain't laughed or cried on,	
it's where we loved, lived and learned a lot of stuff
