Never coming down

A little (1) Gene Wilder now
Coming out of the tower now
In a glass elevator that
could take you all the way to the sky
Ain't trying to fool you now
I got (2) to lose and no how
So be in it with the limitless
image of the intimate
figure what you're giving is love
All you need is love
Ain't it (3) to get out of here?
Already out of the atmosphere
Well if the glass (4) shattered
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never (5) down
because we're living it up
we're living it up, yeah
What happens (6) your light goes out
No (7) there to give you mouth to mouth
Don't let the break down trouble you
and claim that a brother need's a hero now
Because I know, you know
because once you know you'll always know
It's your own, your own love
that gets you where you wanna go
We're going up, we're flying away

Taking the ceiling out We're going up, we're (8)\_\_\_\_\_ We're taking the (9)\_\_\_\_\_ route That's because we're living it up we're living it up, yeah Knowing it's good and I don't mean good enough when it's really love Well you can just rise above anything it's our destiny, yeah A little like Gene Wilder now Coming out of the tower now In a glass elevator that could take you all the way to the sky For going up, for flying away We're taking the higher route We're taking the ceiling out We're going up, we're flying away Never (10)\_\_\_\_\_ down Because we're living it up, living it up We're going up, flying away taking the higher route taking the ceiling out We're going up, we're flying away Never coming down Because we're living it up, living it up we're living it up, living it up All you need is love Love is all you need
