

Up by Jason Mraz

Fill in the gaps

A little like Gene Wilder now
Coming out of the tower now
In a glass elevator that
could take you all the way to the sky
Ain't trying to fool you now
I got nothing to lose and no how
So be in it with the limitless
image of the intimate
(1)_____ what you're (2)_____ is love
All you need is love
Ain't it nice to get out of here?
Already out of the atmosphere
Well if the glass ever shattered
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
because we're living it up
we're living it up, yeah
What happens when (3)_____ light goes out
No one's there to give you mouth to mouth
Don't let the break down trouble you
and claim that a brother need's a hero now
Because I know, you know
because once you know you'll (4)_____ know
It's your own, your own, your own love
that gets you where you wanna go
We're going up, we're flying away

Never coming down
Taking the ceiling out
We're going up, we're flying away
We're taking the (5)_____ route
That's because we're living it up
we're living it up, yeah
Knowing it's good
and I don't mean (6)_____ enough
when it's really love
Well you can just rise above (7)_____
it's our destiny, yeah
A little like (8)_____ Wilder now
Coming out of the tower now
In a glass elevator that could take you
all the way to the sky
For going up, for flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
Because we're living it up, living it up
We're going up, flying away
(9)_____ the higher route
taking the ceiling out
We're going up, we're flying away
Never coming down
Because we're living it up, living it up
we're (10)_____ it up, living it up
All you need is love
Love is all you need

Answer

1. figure
2. giving
3. your
4. always
