

Fill in the gaps

Up by Jason Mraz

A little like Gene Wilder now
Coming out of the tower now
In a glass elevator that
could take you all the way to the sky
Ain't trying to fool you now
I got nothing to lose and no how
So be in it with the limitless
image of the intimate
figure what you're giving is love
All you need is love
Ain't it nice to get out of here?
Already out of the atmosphere
Well if the glass ever shattered
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
because we're living it up
we're living it up, yeah
What happens when your light goes out
No one's there to (1)_____ you mouth to mouth
Don't let the break down trouble you
and claim that a (2)_____ need's a hero now
Because I know, you know
(3)_____ once you (4)_____ you'll always
know
It's your own, your own, your own love
that gets you where you (5)_____ go
We're going up, we're flying away

Never coming down
Taking the ceiling out
We're (6)_____ up, we're flying away
We're taking the higher route
That's because we're living it up
we're living it up, yeah
Knowing it's good
and I don't mean good enough
(7)_____ it's really love
(8)_____ you can just rise above anything
it's our destiny, yeah
A little like Gene Wilder now
Coming out of the tower now
In a glass elevator that could take you
all the way to the sky
For going up, for flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
Because we're living it up, living it up
We're going up, flying away
taking the higher route
(9)_____ the ceiling out
We're going up, we're flying away
Never coming down
Because we're living it up, (10)_____ it up
we're living it up, living it up
All you need is love
Love is all you need

Answer

1. give
2. brother
