In the blur, you took my (1) away
And my heart starts beating
And my lungs start breathing
And the voice in my head (2) screaming:
(3) alive
You're like a laserlight
Burning down, burning down on me
You're like a laserlight
Burning down, burning down on me
You make me feel good, you make me feel safe
You make me feel like I can live another day
You make me feel good, you make me feel safe
You know I wouldn't have it any (4) way
-D, D, D, David G-
-J, J, J, Jessie J-
You and me, (5) to face
And (6) so (7) I could say
And these words, have forever seen the silence
Can you hear that box breaking
And the world starts shaking?

They keep talking, talking, talking		
But we're walking, walking		
To the light tonight, tonight
