

## Fill in the gaps

In the (1) of an eye I was falling from the sky	They keep talking, talking, talking
In the blur, you (2) my breath away	But (19) walking, walking
And my heart (3) beating	To the (20) tonight, tonight
And my lungs (4) breathing	You're like a laserlight
And the (5) in my head starts screaming:	Burning down, burning down on me
I'm alive	You're (21) a laserlight
You're (6) a laserlight	Burning down, burning down on me
(7) down, burning down on me	You (22) me feel good, you (23) me
You're (8) a laserlight	feel safe
Burning down, (9) on me	You make me feel (24) I can live
You make me feel good, you (11) me feel safe	(25) day
You make me feel like I can live another day	You make me feel good, you make me feel safe
You (12) me feel good, you make me feel safe	You know I wouldn't have it any other way
You know I wouldn't (13) it any (14)	-Have it any other way-
way	There's no stop, stop, stop
-D, D, D, David G-	I (26) stop stop, stop
-J, J, J, Jessie J-	We won't stop, stop, stop
You and me, face to face	We won't stop, stop, stop
And there's so much I could say	We won't stop, stop, stop
And (15) words, (16)	In the (27) of an eye I was falling from the sky
(17) seen the silence	In the blur, you (28) my breath away
Can you (18) that box breaking	
And the world starts shaking?
