

Fill in the gaps

In the blink of an eye I was falling from the sky
In the blur, you took my breath away
And my (1) starts beating
And my lungs (2) breathing
And the voice in my head starts screaming:
I'm alive
You're (3) a laserlight
Burning down, burning down on me
You're like a laserlight
Burning down, burning down on me
You (4) me feel good, you make me feel safe
You make me feel like I can live another day
You make me feel good, you make me feel safe
You (5) I wouldn't have it any other way
-D, D, D, David G-
-J, J, J, Jessie J-
You and me, face to face
And there's so much I could say
And these words, have forever seen the silence
Can you (6) that box breaking
And the world starts shaking?

They keep talking, talking, talking		
But we're walking, walking		
To the light tonight, tonight		
You're like a laserlight		
Burning down, burning down on me		
You're (7) a laserlight		
Burning down, burning down on me		
You make me feel good, you make me feel safe		
You make me feel like I can live (8)		day
You make me feel good, you make me feel safe		
You know I wouldn't have it any (9)	way	
-Have it any other way-		
There's no stop, stop, stop		
I won' stop stop, stop		
We won't stop, stop, stop		
We won't stop, stop, stop		
We won't stop, stop, stop		
In the blink of an eye I was falling from the sky		
In the blur, you took my breath away
