

## Fill in the gaps

## Working class hero by John Lennon

As soon as you're born	you're so full of fear
They make you (1) small	A working class (10) is (11)
By giving you no time instead of it all	to be
Till the pain is so big	A working class (12) is (13)
You feel nothing at all	to be
A (2) class hero is something to be	Keep you doped with religion and sex and TV
A working class hero is something to be	And you think you're so (14) and classless
(3) hurt you at (4)	and free
And they hit you at school	But you're still (15) (16) as
They hate you if you're clever	far as I can see
And they despise a fool	A (17) class (18) is something
Till you're so fuc**g crazy	to be
You can't follow their rules	A (19) class hero is
A working class hero is (5) to be	(20) to be
A working class hero is (6) to be	There's room at the top they are telling you still
(7) they've tortured and scared you	But (21) you must learn how to
for (8) odd years	(22) as you kill
Then they expect you to (9) a career	If you (23) to be (24) the folks on the
When you can really function	hill
	A working (25) hero is something to be
	A working class hero is something to be
	If you (26) to be a hero
	Well, just follow me

If you want to be a hero Well, just follow me
