

## Fill in the gaps

## Working class hero by John Lennon

As soon as you're born		you're so full of fear
They make you feel small		A working class hero is something to be
By giving you no time instead of it all		A (6) class (7) is
Till the pain is so big		(8) to be
You feel nothing at all		Keep you doped with religion and sex and TV
A working class hero is (1)	to be	And you think you're so clever and classless and free
A working class hero is something to be		But you're still fuc**g peasant as far as I can see
They (2) you at home		A working class hero is something to be
And they hit you at school		A working class hero is something to be
They hate you if you're clever		There's room at the top (9) are telling you still
And they despise a fool		But first you must learn how to smile as you kill
(3) you're so fuc**g crazy		If you want to be like the folks on the hill
You can't (4) their rules		A working class hero is something to be
A working class hero is (5)	to be	A working class hero is something to be
A working class hero is something to be		If you want to be a hero
When they've tortured and scared you		Well, just follow me
for twenty odd years		If you want to be a hero
Then they expect you to pick a career		Well, just follow me
When you can really function
