Who you love by John Mayer

Fill in the gaps

You love who you love, who you love	When you love who you love, who you love
You love who you love, who you love	You (8) who you love, who you love
My girl ain't the one that I saw coming	Yeah, you (9) who you love, who you love
And sometimes I don't know which way to go	Oh, you can't make yourself stop dreaming
And I (1) to run before	Who you're dreaming of
But I'm not running anymore	If it's who you love
Because I've (2) against it	Then it's who you love
Hard enough to know	Oh, you love who you love, who you love
(3) you (4) who you love, who you love	You love who you love, who you love
You love who you love, who you love	You love who you love, who you love
You love who you love, who you love	Oh, you can't (10) yourself stop dreaming
Oh, you can't make yourself stop dreaming	Who you're dreaming of
Who you're dreaming of	If it's who you love
If it's who you love	Then it's who you love
Then it's who you love	It's who you love
My boy ain't the one that I saw coming	Who you love
And some have said	Who you love
His heart's too hot to hold	Who you love
And it takes a little time	You're the one I love
But you should see him when he shines	
(5) you (6) want to let
