

## Fill in the gaps

River's (1)	You can rest (15) head on my shoulder
You can't swim inside it	If you (16) to get (17) with me
We could string some lights	Because a little bit of summer
Up the hill (2) it	Makes a lot of history
Tonight the moon's so bright	And you look fine, fine, fine
You, you could drive (3) (4) headlights	Put your (18) up next to mine
out	We can watch that water (19) get higher and
Because a little bit of (5) is	higher
What the whole year's all about	Say, say, say, ain't it (20) some kind of day
You (6) fine, fine	You and me been catching on
Put (7) feet up next to mine	Like a wildfire
We can (8) that water line get	I got a (21) from the (22) in my
(9) and higher	medicine bag
Say, say, say ain't it been (10) kind of day	Magpie feather in his medicine bag
You and me been catching on	Say, say, say, ain't it been some kind of day
(11) a wildfire	You and me been catching on
Don't get up (12) to get another	(23) a wildfire
You can drink from mine	
We can't (13) each other	
We can dance (14) the dead
