## Wonder why by Julian Perretta

## Fill in the gaps

| I said why?, did you ever even try?        |
|--|
| Infiltrate but never find                  |
| Just falling slowly                        |
| You left me so damn lonely                 |
| Try, stepping back to when we rhymed       |
| Maybe recreate the times                   |
| You were shy but happy                     |
| And we were fine and dandy                 |
| Here we are again, oh                      |
| But backseat love don't (1) me             |
| I'm just far too choosy                    |
| Stop, drop, go through, open up the letter |
| Don't you want to make it any better?      |
| Baby don't you ever wonder why?            |
| Back up, it's not that I think I'm clever  |
| I just know that we could do much better   |
| Baby, don't you ever wonder why            |
| I was never by your side?                  |
| Sigh, take a deep breath and rewind        |
| Bite your (2) and let it slide             |
| Got to see a doctor                        |
| Maybe that will shock you                  |
| Love don't die, no                         |
| (3) it penetrates and                      |
| leaves you blind                           |
| And shaking mad and reckless               |
| Got you feeling breathless                 |
| And here we go again                       |
| The backseat love don't move me            |
