Who do you think you are?
a super S-T-A-R?
Who do you think you are?
you can kiss my oh my God
All eyes on you tonight
So let's toast to you,
you got so much to prove
And you say, everyone's got a price
That's how you get your way
if not there's (1) to pay
You're gonna (2) and puff
and blow the whole house down
Don't they know you're the king of the castle
The nerve of some people
To think we're all equal
911 it's me to the rescue
If I don't speak who's gonna tell you
Oh yeah I gotta let you know
I'm (3) to crash your party
You think you're the star of the show
But I'm about to let you know
I'm here to crash your party
The bigger you are the harder you fall,
oh you had it all
Before I crashed your party
Who do you think you are?
a super S-T-A-R?
Who do you think you are?
you can kiss my oh my God
You're so misunderstood
Cause you're so complex, you and your complex
and you claim you're so low key
Well you could have fooled me, Mister TMZ
Come on show em how you huff and puff
and blow the whole house down
Don't they know you're the king of the castle
The nerve of (4) people
To think we're all equal
